About GreenPacific Invest

GREENPACIFIC INVEST LLC is an independent and privately owned investment firm, that offers qualified and institutional investors an opportunity to invest in asset-backed investments with a fixed return and tenor.

Our main focus is asset-backed investments within commercial shipping.

Typically **GREENPACIFIC INVEST LLC** will purchase one or more vessels that will be leased to a reputed shipping company for a period of 3-5 years. At the end of the leasing period GreenPacific Invest LLC, will exit the investment via a pre-agreed purchase obligation with the Lessee.

GREENPACIFIC INVEST LLC have an experienced management team that are dedicated to look after the interest of the investors. The management of our funds is done in-house to ensure full control and that all securities and governances are tested timely and in place at all time.
