GREENPACIFIC

INVEST | SHIP FINANCE | SHIPBROKERS | INTELLIGENCE

GreenPacific Invest is an independent and privately owned asset manager and investment firm, that offers Qualified, Accredited and Institutional investors a platform to invest in asset-backed shipping investments.

Contact our Investment team: invest@greenpacific.org

The investment opportunities offered range from:

Senior Debt

Senior debt (first lien) with a fixed margin + SOFR or a fixed rate based on the same terms as high street banks.

Senior debt can be arranged either as a mortgage or shareholder agreement with dividend payments.

Preferred Equity & Mezzanine

Second lien with a fixed margin + SOFR or a fixed rate based on the same terms as high street banks.

Preferred equity with tailored shareholder agreement including dividend payments.

Equity Investments

Equity investment for investors who understand the risks and are interested in taking advantage of opportunities in the shipping market with expected returns on cash flow and residual value.

GreenPacific Ship Finance advise Ship Owners in Capital raise for new acquisitions or refinance of existing fleet.
